## Chapter 1 by -

Say the title out loud and then add to the story where Abraham Lincoln is a BABE!

Babraham Lincoln had long blonde hair and always had a way with the men of the beach. No man could resist her beauty.

## Chapter 2 by SaintSayaka

Problem was, her mind just didn't sit well with the beachgoers. When they wanted to talk about surfing and parties, she wanted to talk about equality and its place in the law. Totally uncool. It was frustrating to her, really, more than anything. She had so many ideas in that little blonde skull of her's and absolutely nowhere where they'd be appreciated.

That's when an insane notion entered her head - leave the beach. Surely, someone on the outside would appreciate her.
